

E-safety

By Oliver's and Jannat

Safe

- **Never ever put data about you on the website.**
- **It could be dangerous.**

MEETING

- When you go on the computer if you make a friend be warned! They could be lying if you want to meet the an adult must be with you.

accepting

- Never ever accept any E-mails off internet it could be dangerous .The person might be lying.

Reliable

- Information you find on internet may not be true, or someone online may be lying about who they are.

TELL

- If you get an e-mil that is not someone you know tell a grown up it could be dangerous
