Integral part of school: Our aim is to provide parents with high quality extended childcare services that are managed by the school and are quality assured by the school's management team. We aim to ensure that the childcare services offered to our parents meet the outstanding standards of education and care expected by our organisation.

Early Years Foundation Stage: Pinecones Pre-School wraparound care for children attending our nursery offers learning opportunities based on the Early Years Foundation Stage Curriculum. Our aim is to ensure holistic provision for our youngest children throughout their Nursery experience. When planning for learning, our practitioners will take into account the length of each individual child's learning day and will liaise closely with their colleagues in the wider Foundation Stage team so that they can take into account prior experiences in Nursery.

Meals: A light breakfast will be served up to 8:15 am at Before School Club and a light snack at After School Club. Children in Pinecones Wraparound and Holiday Club will need to bring a healthy packed lunch to school; healthy snacks and drinks will be served throughout the day.

Building: Blossomfield is expanding and we look forward to opening our new Foundation Stage Department in 2017 when the Childcare Unit will operate from several planned, dedicated rooms. Until then, we will continue to use the hall and other rooms within school. Children will have access to the outdoors.

Holiday Club: We offer a Holiday Club during half term breaks, Easter and the summer holidays providing a range of resources and well planned activities following weekly topics. We can accommodate children aged 3 to 11 years old.

Fees: Parents will receive a monthly invoice which is due one month in advance and payment is to be made through ParentPay or Childcare Vouchers.

For further information please contact Jade Turner (Manager) or Emma Reed (Deputy Manager) by email or phone.

We look forward to welcoming your child to Tree House Kid's Club and Pinecones Preschool.
