SCHOOL AGE HEARING SCREENING – Blossomfield

Dear Parent

A member of our Audiology department will visit your child's school on Monday 21st November 2016 to carry out a Hearing Screening Assessment. You may attend, but this is not necessary. However, if you do wish to be present, please contact the school.

The Hearing Screening Assessment involves your child listening to sounds through headphones. We may discuss the results with your child's teacher, and you will only be advised if a repeat hearing assessment is required.

If for any reason you do not wish for your child to have their hearing assessed, please contact the school as soon as possible.

If your child is already under ENT/The Hearing Centre, we will not need to test them at school. Please can you inform the school so they can let us know upon our arrival.

If you require further information, please do not hesitate to contact us.

Yours Sincerely

Paediatric Audiology Team
