9 October 2015

Dear Parent/Guardian

Start collecting Tubs4Tablets tokens now!

Flora, for the third year in partnership with Tesco, are running an amazing scheme called **Tubs4Tablets** which aims to help our school bring cutting edge technology into the classroom. The scheme gives primary, middle and special schools in Great Britain the opportunity to collect tokens from special tubs of Flora **on sale at Tesco now** and exchange them for **FREE Galaxy touch screen tablets!**

Help us make our campaign a success

We need to collect as many tokens as possible; these can be found on **promotional 500g tubs of Flora Original, Light and Buttery.**

Each class has their own collection box. Just 50 tokens will get our school one brand new **Samsung Galaxy Tab 7.0" Wi-Fi 8GB tablet.** We will be tracking how many tokens each class collects and our progress. We would like each class to be able to purchase one tablet. Please help as much as you can!

Spread the word

Friends, neighbours, work colleagues and family can also help to collect even more tokens to exchange for tablets. There's no limit to the amount of **FREE** tablets we can claim for our school!

Thank you for taking the time to read this. Any support you can offer will help us to provide the children with a wider range of technologies to use in the classroom.

Yours faithfully

Nicola Russell
Computing Leader
