

BLOSSOMFIELD
— Infant School —

On Tuesday 7th June, Steve Ball who is the building project manager from Interclass came into school to hold an assembly with the children. He talked to the children about keeping themselves safe and highlighted the dangers on building sites. He talked about why building sites are not a safe place to play and about the safety clothes and equipment that construction workers have to wear, such as hard hats, hi-visibility jackets and steel toe capped Boots.

At the assembly Interclass launched a competition asking the children to design a **Building Site Safety Poster**. The design can be drawn on A4 plain paper and the more colourful the better. The 3 winning posters will be enlarged to A3 and displayed on the Site fencing. Interclass have offered 3 Prizes for the best entries. The prizes are gift vouchers which can be spent in numerous shops. The 1st Prize is worth £20, the 2nd Prize £15 and the 3rd Prize £10.

Posters should be handed in to class teachers by **Wednesday 22nd June**. Please ensure that your child's full name and class is written on the back of their poster design.

Yours Sincerely

M B Farkas
