Dear Parents and Carers

## Year 2 Family Workshop

The staff at Blossomfield are committed to working with parents as partners in education and with this in mind we would like to invite you to a curriculum family workshop. This session aims to build the confidence of parents and school in working more effectively together, to increase parental involvement in their child's learning at home and to raise levels of achievement. We believe that this approach will bring teachers and parents closer together; giving them a better understanding of each other and children's learning. Your child's session will take place on:

**Friday 4<sup>th</sup> November 2016 at 9.00am and will end at 10.00am**

On this occasion we will be concentrating on the teaching and learning of writing as within the new curriculum. During the first 20 minutes teachers will share information with parents about progress and expectations in writing as well as methods of teaching. For the remainder of the session children will work with their adult on an activity to support their writing skills. The aim is to encourage children and parents to work together to build confidence with writing.

This is an opportunity to spend quality one to one time with your child and their teacher in the school setting, working on an aspect of the curriculum. The expectation is that a parent/carer or other adult, for example a Grandparent, will come into school to work with each child. The nature of this activity means that younger siblings will not be able to attend.

If an adult is unable to attend, your child will take part in this activity in the classroom with staff. The session will take place in the school hall and teachers will be ready to begin promptly at 9.00am. We very much look forward to seeing you there and would ask that you please fill in and return the attached slip to a member of staff or to the school office.
