Dear Parents/Carers

**National Trust - '50 Things To Do Before You're 11 $\frac{3}{4}$ '**

As part of our Eco Schools at Blossomfield, we are very lucky to have been given a National Trust **'50 Thing To Do Before You're 11 $\frac{3}{4}$ '** booklet for every child in Year 1.

The booklets contain lots of outdoor activities for you and your children to enjoy. Some of these will be completed at school or during Forest School but initially we are sending the booklets home for everyone to start their '50 things' journey with their families.

We hope that you enjoy getting outdoors and having a go at the activities. Please sign and date any that you complete and if you can include any drawings or photos that would be wonderful; we would like to make a display, celebrating the children's adventures.

We will collect the booklets back in shortly before Christmas, updating them with completed Forest School activities, and allow the children to share their achievements, before returning them to you, to continue your '50 things' journey'.

Many thanks
