

Dear Parents and Carers

Nursery Family Workshop – CONKERS CLASS

The staff at Blossomfield are committed to working with parents as partners in education and with this in mind we would like to invite you to a curriculum family workshop. This session aims to build the confidence of parents and school in working more effectively together, to increase parental involvement in their child's learning at home and to raise levels of achievement. We believe that this approach will bring teachers and parents closer together; giving them a better understanding of each other and children's learning. Your child's session will take place on:

Tuesday 11th October 2016 at 2.00pm and will end at 3.00pm

On this occasion we will be concentrating on teaching and learning in Personal, Social and Emotional Development (PSED) and teachers will share information with parents about how we teach young children PSED. The aim is to develop parents' awareness of the importance of PSED and the impact that it can have on all areas of learning.

This is an opportunity to spend time with the teacher and other parents in the school setting, working on an aspect of the curriculum. The expectation is that a parent/carer or other adult, for example a Grandparent, will come into school. The nature of this activity means that younger siblings will not be able to attend.

The session will take place in the Nursery and teachers will be ready to begin promptly at 2.00pm. We very much look forward to seeing you there and would ask that you please fill in and return the attached slip to a member of staff or to the school office by **Thursday 6 October**, thank you.
