Dear Parents/Carers

27 January 2016

Project Pond

It's time for us to prepare our Pond and Nature Area for winter! A wonderful team of volunteers from Tesco have kindly agreed to lead the task but they will need help, which is where you come in!

We plan to

- Drain and clean the pond before netting it
- Remove a very overgrown plant from the centre of the pond
- Lop overhanging branches
- Secure loose paving slabs
- Remove weeds and garden waste
- Plant bulbs

We desperately need

- Enthusiastic grown-ups –this is a big job!
- The use of your wheelbarrows
- A set of tree loppers

What do you get in return?

- A free workout-it's cheaper than a gym!
- The warm glow of knowing you have contributed to your child's learning space - we like to use the pond area all year round

The plan is for work to take place over three days, from 4th-6th October during school hours. If you can help us throughout this time please let the office staff or myself know of your availability. Tea and cake will be provided!

Kind regards,

Yvonne Cooper
