**BLOSSOMFIELD**  
Infant School

Dear Parents and Carers,

February 9th 2016 is **Safer Internet Day**, a day that is very important to our school and pupils. Safer Internet Day is run by the INSAFE network and is celebrated every year across Europe, and in other countries worldwide.

In the UK, Safer Internet Day is organised by the **UK Safer Internet Centre** ([www.saferinternet.org.uk](http://www.saferinternet.org.uk)), and this year's theme is "Play your part for a better internet." Childnet International, who form part of the UK Safer Internet Centre, have produced an online safety presentation to help schools, parents and carers to support children and young people online.

To celebrate the many positives of the internet, and to raise awareness of the issues that children and young people face online today, Blossomfield will be hosting an online safety information session for parents and carers of children in Key Stage 1. Childnet International are experts in the field of online safety education and we highly recommend that you attend this event. The session will provide practical advice and safety tips to help manage online safety issues, and discussions surrounding suitable behaviour online.

The session will be on **Tuesday 9<sup>th</sup> February at 9.00am** and will last for 30 minutes, with time for questions too. Please return the slip below if you would like to come, as places are limited and will be offered on a first come, first served basis. *If you do not receive a reply, please assume you have got a place.*

We believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development. This session is designed to help you become more aware of the safety messages that your children receive in school in order to reinforce them in your home environment.

We really hope that you will be able to attend and look forward to seeing you there.

Yours sincerely

Nicola Russell  
Online Safety Leader
