Christmas Productions' Photographs

During our dress rehearsals, we have taken photographs of groups of children from our plays. From today the photographs will be displayed outside on the playground.

If you wish to order any of these please send your money in a sealed envelope with your child's name and class on the outside, together with the tear off form below indicating the quantity of photos required and the number (code) of the photo. Photographs cost £1 each and come without a frame or mount. Please put requests in separate envelopes for each child.

Please return your order to school by **Monday 8th January 2018** at the **latest**. No orders can be accepted after this date. The photographs will then be printed and distributed later on January.

If you are unable to come into school to see the photographs but would like one, please indicate your child's part in the play and we can still order one for you. Unfortunately if your child was absent for the dress rehearsal they will not be on the photographs.

Yours sincerely

Miss P Simper
