Nursery Family Workshop  
ACORNS

Dear Parents and Carers,

The staff at Blossomfield are committed to working with parents as partners in education and with this in mind we would like to invite you to a curriculum family workshop. This session aims to build the confidence of parents and school in working more effectively together, to increase parental involvement in their child's learning at home and to raise levels of achievement. We believe that this approach will bring teachers and parents closer together; giving them a better understanding of each other and children's learning. Your child's session will take place on:

**Wednesday 21 June at 9.00am and will end at 10.00am**

On this occasion we will be concentrating on teaching and learning in Writing and teachers will share information with parents about how we teach young children Writing. During the first 20 minutes of the session teachers will share information with parents about how Writing is taught in the Foundation Stage. For the remainder of the session, children will work with their adult on activities and games to support their learning. The aim is to give you ideas and tips for ways of supporting your child's writing development at home.

This is an opportunity to spend time with the teacher and other parents in the school setting, working on an aspect of the curriculum. The expectation is that a parent/carer or other adult, for example a Grandparent, will come into school. The nature of this activity means that younger siblings will not be able to attend, .

The session will take place in the school hall and teachers will be ready to begin promptly at 9.00am. We very much look forward to seeing you there and would ask that you please fill in and return the attached slip to a member of staff or to the school office by **Friday 16 June**.
