4 October 2017

Dear Parents & Carers

Scotability - Y1 - Wednesday 11 October

Our Year 1 children have been offered the opportunity to take part in a road safety scheme run by Solihull Council Road Safety Team called Scotability. This session will take place on **Wednesday 11 October**. In order to take part in this your child's needs to have a scooter in safe, working condition. Sessions will take place on the playground and will be led by a team of qualified instructors. If your child would usually wear a helmet to ride a scooter they will need to bring this along with their scooter, however the helmet is not compulsory.

The sessions will take place on **Wednesday 11 October 2017** throughout the school day.

Please ensure your child's scooter is named in some way.

In order for your child to participate in this session please complete the parent consent letter, and return it to the school by **Monday 9th October**.

Yours sincerely

Mrs Lindsey Mason, Mrs Tracey Rae, Miss Paige Simper
Year One Team
