Dear Parents/Carers

Y2 - Walk Smart - February 2017

On Monday 13th and Tuesday 14th of February, Year 2 children will have the opportunity to take part in a road safety training initiative called Walk Smart. On Monday they will have a session based in school and using the car park, then will go out into the wider area to practise the skills they have learned on Tuesday.

Please find attached a leaflet containing more information about this training. It is important that you return the slip on the back of this leaflet to school no later than the morning of **Thursday 9th February**.

For Tuesday's sessions, we require additional adult support in order for the children to get the most out of this training. The sessions will run from 9.15-10.15am and 10.30-11.30am. If you can help with one or both sessions, please let a member of staff know.

Thank you for your support.
