

Dear Parents/Carers

9 May 2017

Year 1 Science Workshop - June 2017

Year 1 have been invited to a Science Workshop at the Phiz Lab based at St Alphege Junior School. This exciting event has been planned through our collaborative work with local schools which is part of the Solihull Ogden Trust. The focus of the workshop will be on Materials. The dates for the workshop are as follows:

Willow	Friday 9th June - AM
Hazel	Friday 9th June - PM
Elm	Friday 16th June - AM

The children will be making slime at the workshop and need to bring in a small container such as a film canister or kinder egg toy holder so that they can bring the slime home. Please send a named container in to school **by 6th June**.

The children will be taken to the workshop by coach and will return before the end of the school day. Children will have their usual lunch at school. The workshop is being funded by the Ogden Trust and Synergy so there is no charge. Please sign the permission slip below and return it to the school office, to allow your child to attend the workshop, thank you.

Yours sincerely

Mrs Mason
(Science Leader)
