

Dear Parents and Carers

10 January 2018

Nursery Family Workshop - CONKERS CLASS

The staff at Blossomfield are committed to working with parents as partners in education and with this in mind we would like to invite you to a curriculum family workshop. This session aims to build the confidence of parents and school in working more effectively together, to increase parental involvement in their child's learning at home and to raise levels of achievement. We believe that this approach will bring teachers and parents closer together; giving them a better understanding of each other and children's learning. Your child's session will take place on:

Monday 22 January 2018 at 2.00pm and will end at 3.00pm

On this occasion we will be concentrating on teaching and learning in Mathematics and teachers will share information with parents about how we teach young children Maths. You will then have an opportunity to share in your child's learning, focusing on activities and games to support their mathematical learning at home and school.

This is an opportunity to spend time with the teacher and other parents in the school setting, working on an aspect of the curriculum. The expectation is that a parent/carer or other adult, for example a Grandparent, will come into school. The nature of this activity means that younger siblings will not be able to attend, however Treehouse Kid's Club will be running a FREE crèche that parents can use during their child's session. **To book a place at this crèche please ring Treehouse directly on 0779 958 2256 at least two days before the session; places are limited.**

The session will take place in Nursery and teachers will be ready to begin promptly at 2pm. We very much look forward to seeing you there and would ask that you please fill in and return the attached slip to a member of staff or to the school office as soon as possible.
