

Dear Parents and Carers

12 January 2016

Nursery Family Workshop - ACORNS CLASS

The staff at Blossomfield are committed to working with parents as partners in education and with this in mind we would like to invite you to a curriculum family workshop. This session aims to build the confidence of parents and school in working more effectively together, to increase parental involvement in their child's learning at home and to raise levels of achievement. We believe that this approach will bring teachers and parents closer together; giving them a better understanding of each other and children's learning. Your child's session will take place on:

Monday 23 January 2017 at 9.00am and will end at 10.00am

On this occasion we will be concentrating on teaching and learning in Mathematics and teachers will share information with parents about how we teach young children Maths. You will then have an opportunity to share in your child's learning, focusing on activities and games to support their mathematical learning at home and school.

This is an opportunity to spend time with the teacher and other parents in the school setting, working on an aspect of the curriculum. The expectation is that a parent/carer or other adult, for example a Grandparent, will come into school. The nature of this activity means that younger siblings will not be able to attend.

The session will take place in Nursery and teachers will be ready to begin promptly at 9am. We very much look forward to seeing you there and would ask that you please fill in and return the attached slip to a member of staff or to the school office by **Thursday 19 January**, thank you.

Nursery Family Workshop - ACORNS CLASS

Monday 23 January 2017 at 9.00am and will end at 10.00am

Childs Name: _____

Class:

I will be attending the family workshop
