

## Opportunities for writing

Here are some ideas for encouraging writing opportunities at home with your child.

- Provide paper, envelopes, post-its, pads, pens and pencils all of different colours to make writing fun.
- Leave writing equipment out on kitchen table or around the house where your child can access it independently.
- Quite often the children will find using a pen and pad exciting as it is what they have seen a grown up use.
- Clip boards and paper so that they can become mobile with their writing!
- Alphabet poster so that they are familiar with the alphabet and use it for letter formation.
