8th September 2017

Dear Parents and Carers

Recorder Lessons for Year 2

As part of our Music curriculum all children in Year 2 will be taught to play the recorder. These lessons will be taught by Mrs Lee and Mrs Morrison. They will encourage the children to learn the recorder and this will culminate in an extravaganza assembly at the end of the academic year!

Please can you supply your child with a recorder and a recorder book called 'Recorder World Book 1' by Pam Wedgwood which costs approximately £4.00. These can be ordered from any music shop or may be found on major retail websites. The children will need the recorder and book for their first lesson.

For Oak and Ash class it will be Wednesday 20th September.
For Rowan class it will be Thursday 21st September.

Recorder lessons will be the same day each week, and it is important that children have both their recorder and their book in school on that day.

Thank you for your support.

Miss Russell, Miss Jackson and Miss Kilby
